

Grandpa Tiny's Frankenmuth Fowl Fest

➤➤➤2010 Showmanship Registration◀◀◀

For youth 18 and under only • Use one form per person • Make copies as needed

Do you plan to participate in Showmanship competition?

If "Yes", what will be your age on the show date? _____

Name (please print) _____

Address _____

City/State/Zip _____

Phone/E-mail _____

Please circle the type of bird you plan to bring for Showmanship:

Large Fowl Chicken • Bantam Chicken or Duck • Large Duck • Goose • Turkey • Guinea Fowl

There is a \$3 fee for each participant in Showmanship competition.

Showmanship competition is open to all youth 18 and under. Michigan Poultry Fanciers (MPF) is offering awards for 1st, 2nd and 3rd place, for each level of competition. Categories are Novice (7 and under), Junior (8 – 10), Intermediate (11 – 13) and Senior (14 – 18). Ages listed are the normal ages for each level and only given as a reference - the Youth Director will assign levels solely at her discretion.

You may register for Showmanship competition by using this form. Please include a check for \$3 or include it with the fees on the Entry Form if you are also exhibiting. You do not have to be an exhibitor to compete in Showmanship. Do not list your Showmanship bird on the Entry Form. Showmanship birds* will be housed in the owner's transport carriers and the carriers will be stored along the west wall, near the Showmanship competition. Please have Showmanship birds in before 10am, Saturday, when the competition begins. They should be taken out after Showmanship awards are handed out, on Saturday. Birds entered for exhibition are not to be used for Showmanship...as always bring a separate bird for Showmanship. MPF will provide feed and water for participants to feed and water their own birds.

*Health requirements are regulated by the State. Exhibitors, of all poultry except waterfowl, must provide a parent flock NPIP certification number, VS9-2, VS9-3, or MDA state pullorum test certificate of Michigan before bringing birds into the pavilion. You are encouraged to have your birds tested before the show, but testers will be available to test birds at the show during coop-in times only. A \$1 per bird testing fee will be charged for this service.

Go to the [APA-ABA Youth Program](#) website for general information about Showmanship. We encourage all youth to participate in Showmanship, including those that are involved in [4H](#) and [FFA](#).
